SUBJECT: Flexible Spending Account Administration Contract

Request For Proposal EVT0005950 for administration of the Flexible Spending Account (FSA) program was released on July 16, 2018, and closed on August 23, 2018. The programs under the FSA program include the Health Care FSA, Limited Purpose FSA and Dependent Care FSA programs. Staff held negotiation meetings with three (3) vendors. Following the meetings, the vendors were asked to provide additional information to clarify their bids, and their best and final pricing.

In addition to vendor experience, cost and capacity, other issues of specific focus were enhancing member access to their account information and funds through user-friendly web portals, mobile applications and debit cards.

Recommendation:

Staff recommends that a three (3) year contract be awarded to NueSynergy for administering the Flexible Spending Account program.
